# THE FORGE GARAGE

The Forge Garage is a well established garage in Burghfield Common. We are easy to find on the Burghfield Road just down from the Chemist and next to the parade of shops including the grocers, bakers and pet shop. Forge Garage are members of the "Trust My Garage" Scheme operated by the RMI. We supply a friendly, experienced, professional and reliable car and van servicing and repair service.

Established for over 40 years we are well known to many of the locals in the Burghfield and Mortimer area. Our customers are largely based within a 20 mile radius of the garage. In addition to vehicle servicing and repairs our motor parts shop stocks oil, antifreeze, car cleaning kits, and a host of other handy items for your car or van. Pop in a take a look, your always welcome.
